1-800-295-5510
uline.com

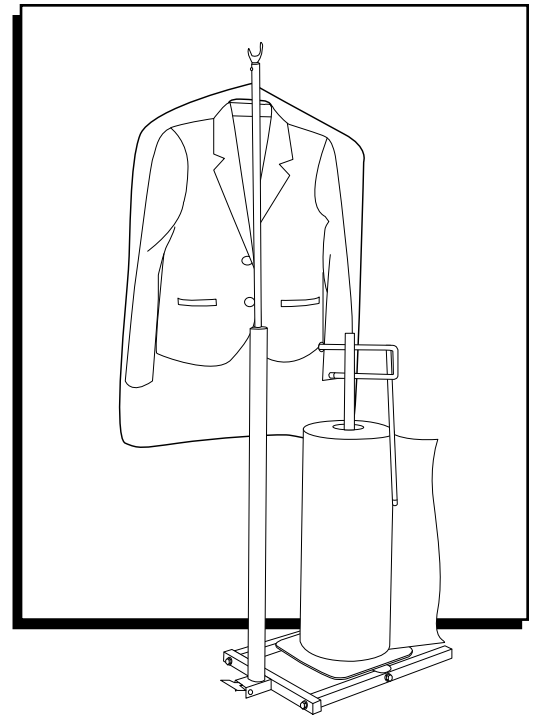

TOOLS INCLUDED

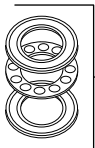

12-13 mm Wrench

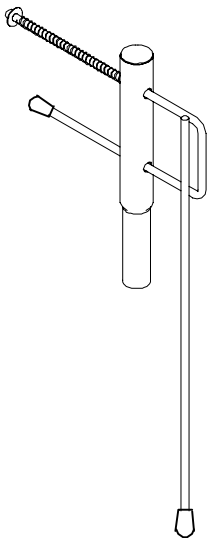

14 mm Wrench

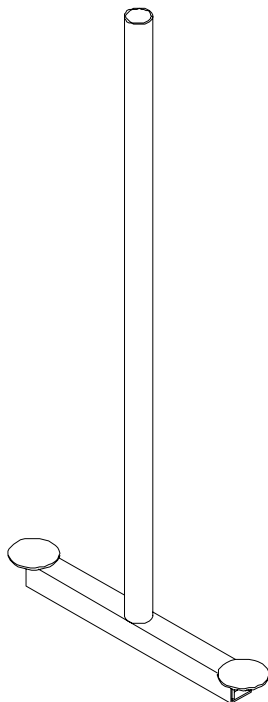

PARTS LIST

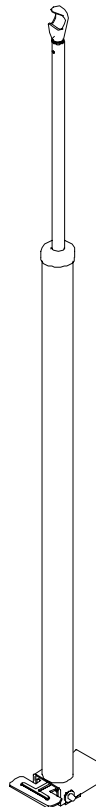

Ball Bearing
Assembly x 1

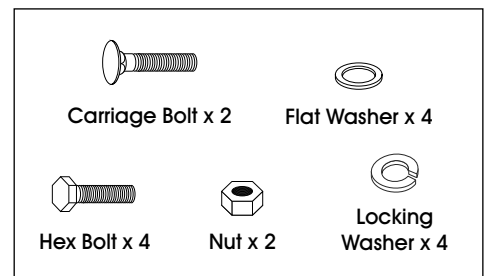

Spring Loaded
Bag Feeder x 1

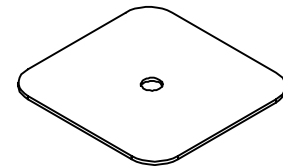

Garment Bag
Roll Holder x 1

Adjustable Clothes
Hanger x 1

Red Hardware Bag

Base x 1

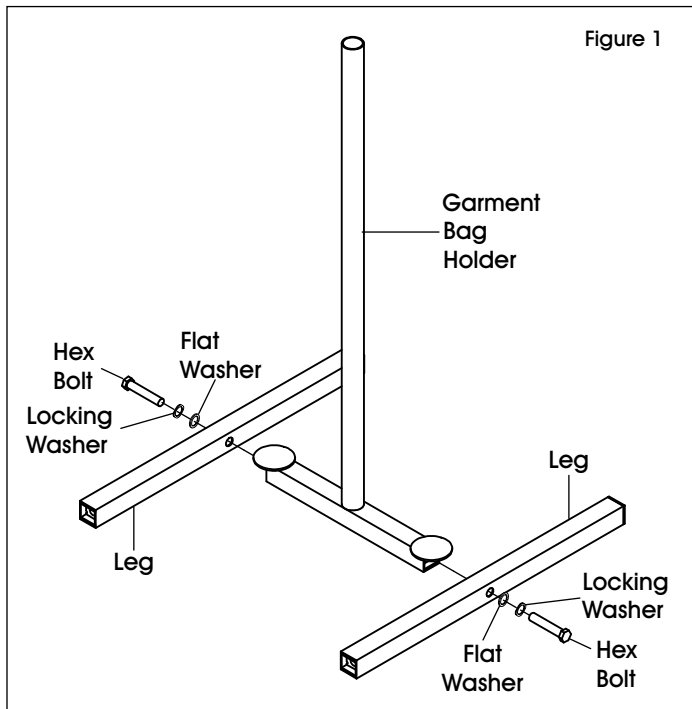

Leg x 2

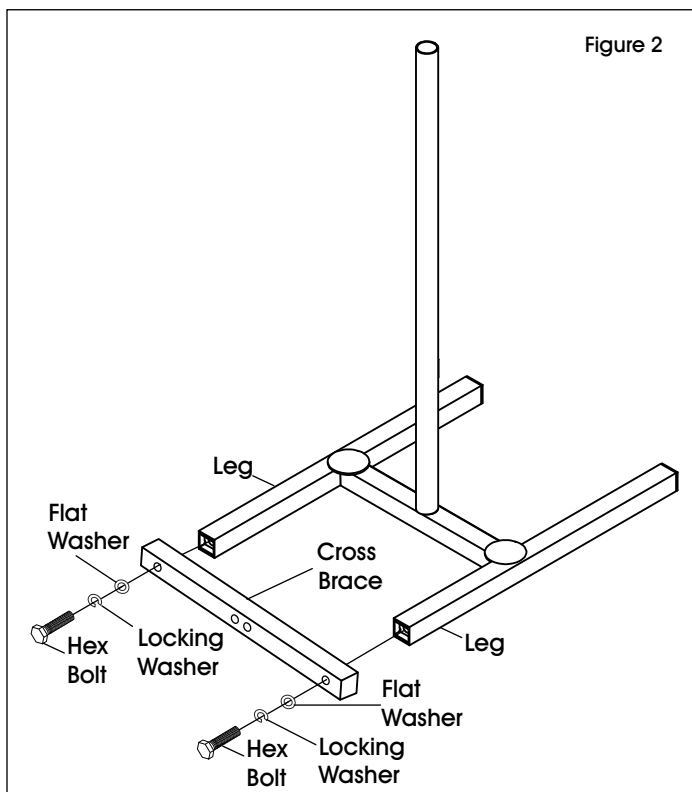

Cross Brace x 1

ASSEMBLY INSTRUCTIONS

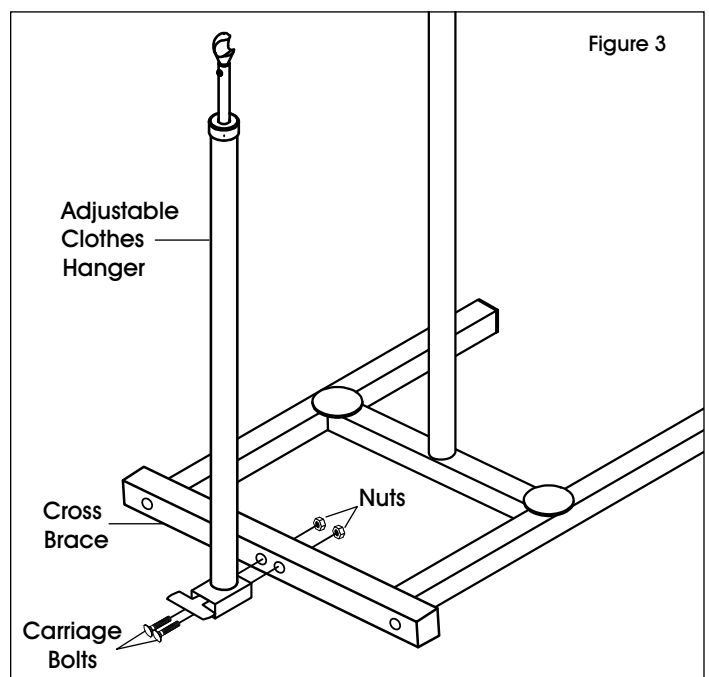

1. Attach the legs to the garment bag roll holder using two hex bolts, two flat washers and two locking washers. (See Figure 1)

2. Attach the cross brace to the legs using two hex bolts, two flat washers and two locking washers. (See Figure 2)

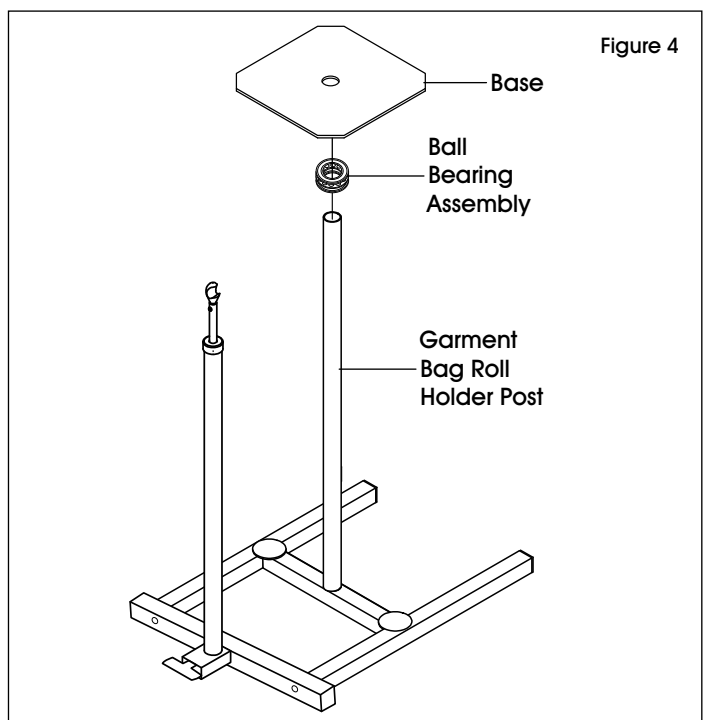

3. Attach the adjustable clothes hanger to the cross brace using two carriage bolts and two nuts. (See Figure 3)

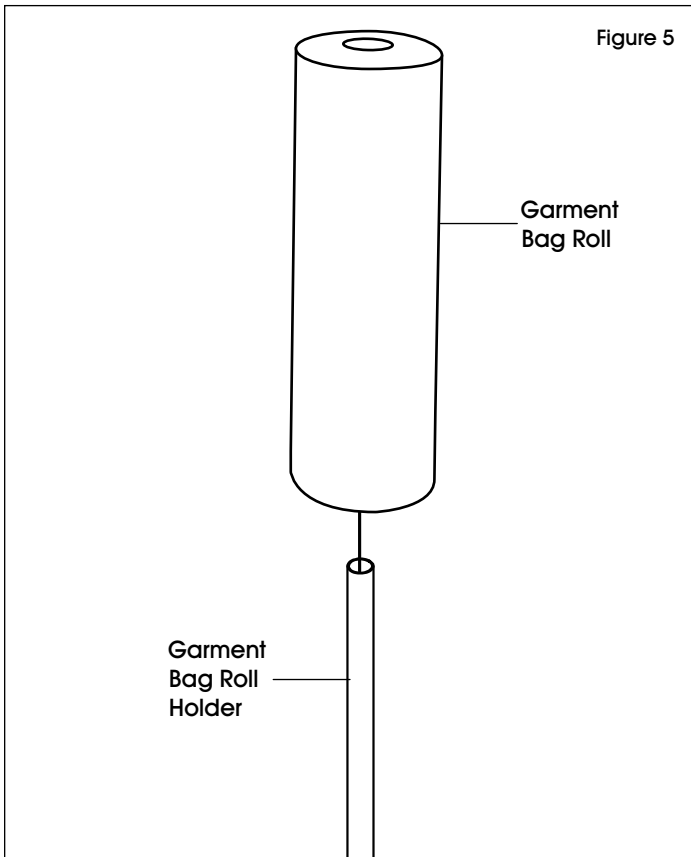

4. Slide the ball bearing assembly and the base over the post of the garment bag roll holder. (See Figure 4)

 **NOTE:** Make sure the ball bearing assembly is set up correctly, so the ball bearings are able to rotate freely.

ASSEMBLY INSTRUCTIONS CONTINUED

5. Load garment bag roll (not included) onto garment bag roll holder. (See Figure 5)

6. Attach the spring loaded bag feeder to the garment bag roll holder by inserting the end of the spring loaded bag feeder into the end of the garment bag roll holder. (See Figure 6)
