

ASSEMBLY INSTRUCTIONS

BOX ASSEMBLY

1. Fold side "A" inside box, so that it fits snugly against inside wall of carton. (See Figure 1)
2. Fold sides "B" and "D" flat against side "C". (See Figure 2)
3. Fold sides "B", "C" and "D" up to form bottom of carton. (See Figure 3)
4. Place carton on flat surface. Lift side "D" up against carton wall. (See Figure 4)
5. Lift side "B" against opposite carton wall. (See Figure 5)
6. Push side "A" down against bottom of carton. (See Figure 6)
