STAINLESS STEEL CABINET WORKBENCH CENTER SHELF

1-800-295-5510
uline.com

PARTS

Center Shelf x 1

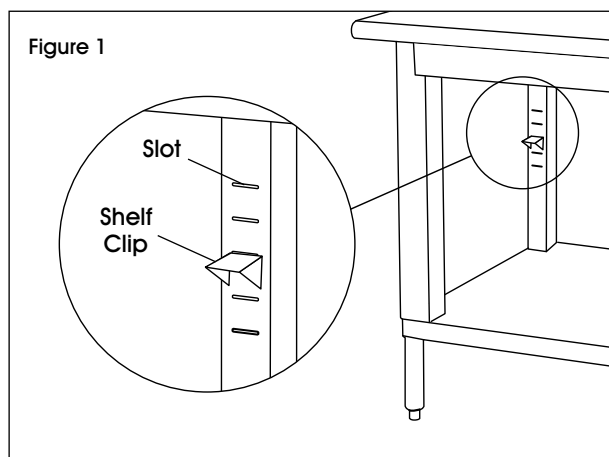

Shelf Clip x 4

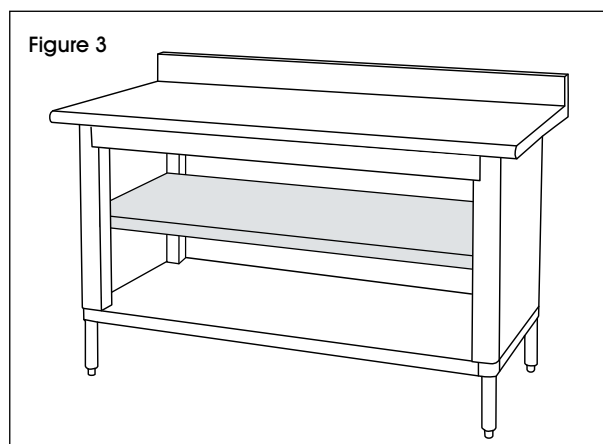

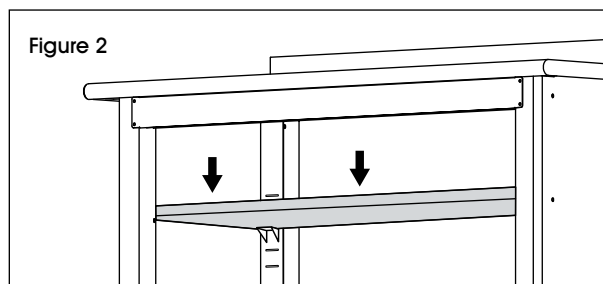

INSTALLATION

1. Remove doors from cabinet.
2. Choose desired shelf height and insert shelf clips into four leg cover slots. (See Figure 1)

 **NOTE:** Leg covers have five slots for installation of shelf clips.

3. Insert center shelf into cabinet and place on top, flat side of shelf clips. (See Figures 2-3)

4. Replace cabinet doors.
