PARTS

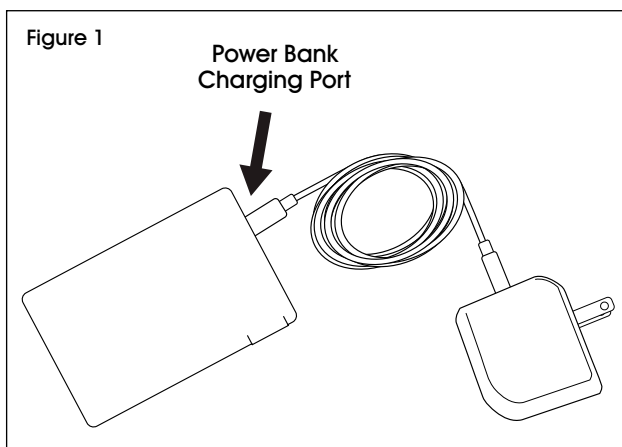

CHARGING INSTRUCTIONS

POWER BANK CHARGING INSTRUCTIONS

 **NOTE:** It is recommended to charge power bank before each use.

1. Plug micro USB cord into both the power bank and wall charger. (See Figure 1)
2. Plug wall charger into outlet to charge power bank.

 **NOTE:** A red light by micro USB port will indicate power bank is charging. Red light will turn off when power bank is fully charged.

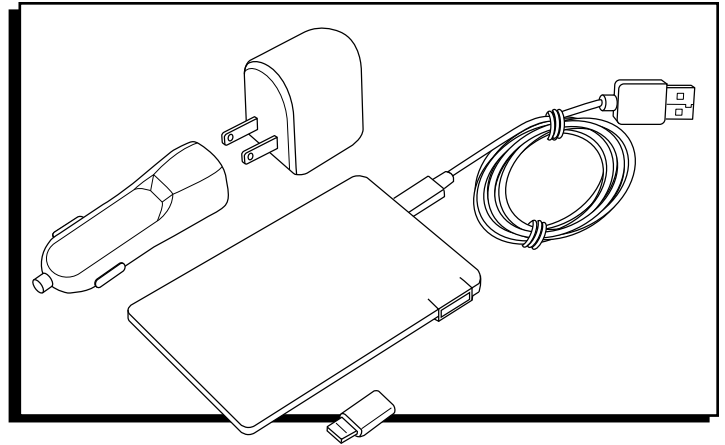

PHONE CHARGING INSTRUCTIONS

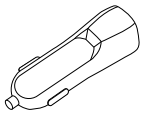

1. Plug micro USB cord into both the power bank and phone. (See Figure 2)

 **NOTE:** If charging Android or Samsung products, remove lightning port adapter from micro USB cable.

INSTRUCTIONS DE CHARGEMENT

INSTRUCTIONS POUR CHARGEMENT DU CHARGEUR MOBILE

 **REMARQUE :** Il est recommandé de charger le chargeur avant chaque utilisation.

1. Branchez le cordon micro USB au chargeur externe et au chargeur mural. (Voir Figure 1)
2. Branchez le chargeur mural dans la prise de courant pour charger le chargeur.

 **REMARQUE :** Une lumière rouge située près du micro port USB indique le chargement du chargeur. La lumière s'éteindra quand le chargement sera complètement effectué.

INSTRUCTIONS POUR CHARGEMENT DU TÉLÉPHONE

1. Branchez le câble micro USB au chargeur mobile et au téléphone. (Voir Figure 2)

 **REMARQUE :** Si vous rechargez un appareil Android ou Samsung, retirez l'adaptateur lightning du câble micro USB.
