## ASSEMBLY

1. Fill bottle with cold water to fill line. (See Figure 1)

 **NOTE: Do not overfill bottle. Cartridge will not empty.**

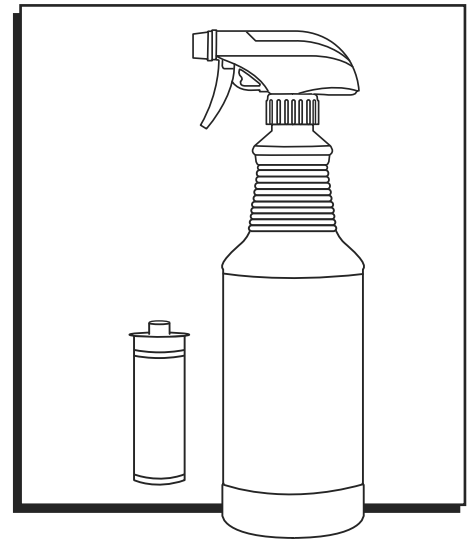

2. Insert cartridge into bottle neck. (See Figure 2)

3. Attach sprayer to bottle, tighten cap and shake gently. (See Figure 3)

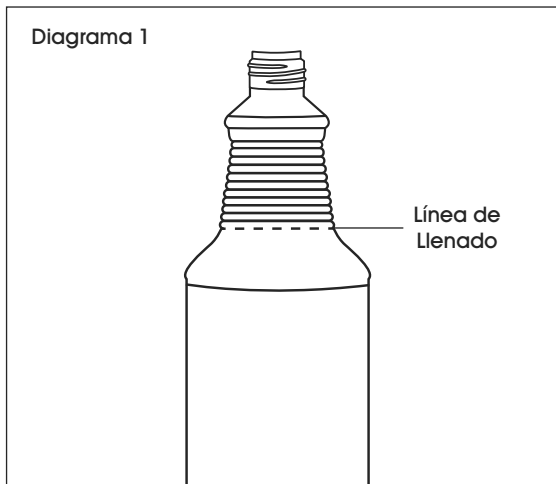

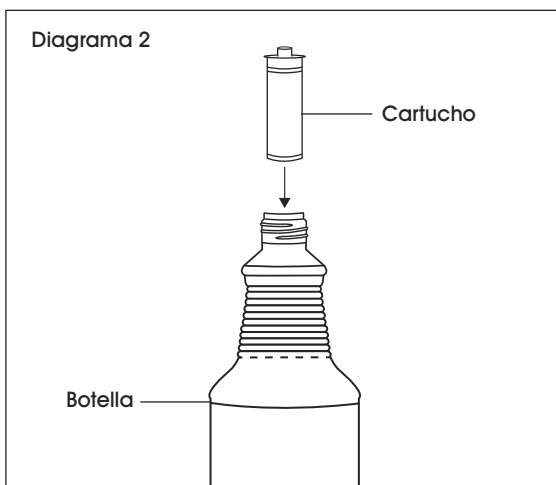

## ENSAMBLE

1. Llene la botella con agua fría hasta la línea.  
(Vea Diagrama 1)

 **NOTA: No llene la botella en exceso. El cartucho no se vaciará.**

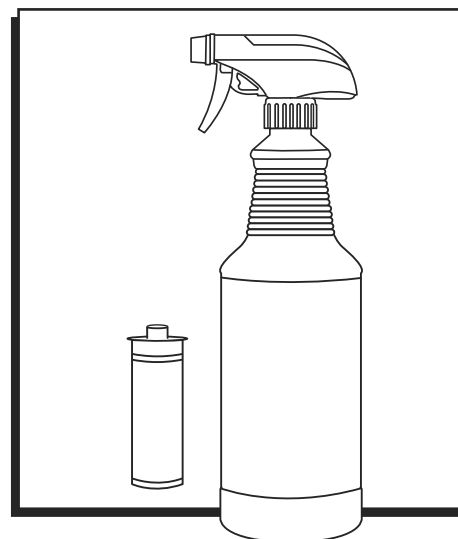

2. Inserte el cartucho en el cuello de la botella.  
(Vea Diagrama 2)

3. Coloque el atomizador en la botella, apriete la tapa y agite suavemente. (Vea Diagrama 3)

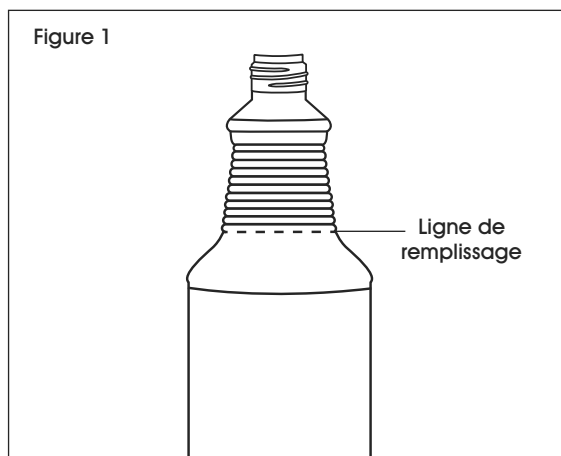

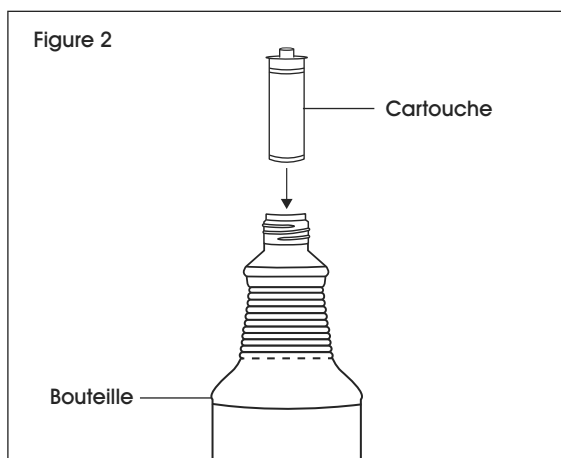

## MONTAGE

1. Remplissez la bouteille avec de l'eau froide jusqu'à la ligne de remplissage. (Voir Figure 1)

 **REMARQUE :** Faites attention de ne pas trop remplir le bouteille. La cartouche ne se videra pas.

2. Insérez la cartouche dans le goulot de la bouteille. (Voir Figure 2)

3. Attachez le pulvérisateur, serrez le couvercle, puis secouez doucement la bouteille. (Voir Figure 3)
